Welcome to Summer at Canterbury!

We aim to provide high-quality educational and recreational programs for all Fort Wayne-area students. To achieve this, we offer extraordinary opportunities for children of all ages, from age 2 through Grade 12. Whether it's review or enrichment in an academic course, or engagement in a variety of camp activities, Canterbury encourages each child to pursue their passions. Programs are scheduled by students' ages as of June 1, 2021, or grades as of the 2021-22 academic year.

Camp Faculty

Canterbury School faculty teach our summer camps. Our faculty is committed to providing a challenging, enriching, and supportive learning environment for students to build a foundation for a life of purpose, passion and meaning.

Camp Sessions

Each camp session requires a minimum of 10 participants. We reserve the right to cancel a session if the minimum number of campers is not met. If we should do so, we'll notify affected families immediately and issue refunds for the cancelled session.

Health and Safety

Our school nurse serves all students while programs are in session. Upon registration, you will be asked to complete a medical form for your child. Please be certain it contains all the information needed to properly care for your child. Feel free to contact the Summer Camp Director prior to registration to discuss any health concerns.

Behavior

Canterbury School encourages the highest standards of honorable conduct, civility, and a sense of fair play, as is consistent with the school's student standards of behavior.

Children enrolled in Summer Camp are expected to be polite to their fellow campers, counselors, and other camp or school personnel, and to respect the property of others and the school. Campers are not to leave the building on their own, and they are expected to be with their assigned camp groups at all times. Canterbury School reserves the right, in its sole discretion, to deny any camper the opportunity to participate in camp if the child's social conduct or behavior is deemed unsatisfactory by the camp administration.

Registration, Tuition, and Refunds

Secure online registration can be completed at canterburyschool.org/summer. Because each program has limited capacity, registration is on a first-come, first-served basis. Registration remains open until May 29, at which time, it will close.

Credit card payments are accepted. Canterbury families may choose to pay via their FACTS plan, and Canterbury faculty may elect to pay via payroll deduction.

To secure a spot at Canterbury School's Lower & Middle School Summer Camp, behavior and registration policies must be followed. Additionally:

- No refunds will be made to a camper/student who, for disciplinary reasons, is asked to leave.
- Tuition monies are non-transferable.
- In case of a camper's/student's withdrawal from the program, the Canterbury School Office must be notified in writing before May 29, or full payment will still be due.
- Canterbury School reserves the right to cancel a program if unforeseen circumstances occur. Notification of cancellation of a program will be done as early as possible and pro-rated refunds will be issued.

COVID-19 Policy

Canterbury Summer Camps will follow school protocol for COVID-19 safety. Changes in protocol may occur due to current surroundings. Learn more at canterburyschool.org/covid19.
