## FAQ

### What is the School Scholarship Tax Credit?

The State of Indiana empowers taxpayers to support private K-12 education by allowing you to direct your state tax liability to scholarship granting organizations such as Sagamore Institute.

### What if I don't owe state taxes? I usually receive a refund check from Indiana.

Even if you receive a state tax refund every year, you may have paid state taxes. To see the amount of state taxes you paid, look on line 8 of your most recent Indiana tax return. This is the amount that your donation can offset with a tax credit.

### Is it easy to do? It sounds confusing.

If you haven't taken advantage of this program before, it can sound intimidating, but we are here to help you every step of the way! We want to make the donation process simple and convenient for you. Many of our donors give year after year! Please contact us if you have any questions.

### Can my gift support a particular student?

No. You may direct your gift to students attending one of our participating schools, but you may not specify a student to receive the gift.
