Canterbury School: THE 2020-21 IMPACT REPORT
Dear Canterbury Community,

Each year in September our campus community gathers for an all school convocation. The purpose of this event is to set the tone for the school year and to engage our community around a specific theme. The focus of this year’s convocation was “family.” Having reflected upon that word greatly over the past year, I am so thankful for the way in which our Canterbury family has rallied together this school year. In so many aspects of school life we have lent support to each other, we have uplifted each other, and we have persevered through one of the most challenging periods in the school’s history.

Nowhere has this spirit of family been more profoundly evident than in our community’s philanthropic commitments. Because of your generosity and support, Canterbury enjoyed its most successful year of total philanthropy. Whether it was through the Canterbury Fund, the SGO program, Giving Tuesday, or Laughing Cavalier, the contributions that you made over the past year helped to sustain Canterbury in its greatest hour of need. Because of your efforts in supporting the school, Canterbury can continue to offer a world class education to students in northeast Indiana.

Thank you for your commitment to supporting the students, faculty, and staff of Canterbury School. Every contribution is a testament to your love for our community, and I am so very grateful for your time, talent, energy, and financial support. Your willingness to go above and beyond in the pursuit of educational excellence is deeply appreciated, and Canterbury is excited to partner with you in the future to ensure the success and growth of our students.

With Great Appreciation,

David Jackson
Head of School
Total Philanthropy

We are honored to recognize donors by their cumulative contributions to Canterbury School during the 2020-21 fiscal year. Total Philanthropy represents collective gifts to the Canterbury Fund, Laughing Cavalier, Restricted Gifts, and Tribute/Endowed Gifts. Canterbury recognizes leadership donors as those contributing $3,000+ in a given fiscal year. We are extremely grateful for the generosity and support of our Canterbury community.

Sagamore Institute

We wish to thank this group of donors who designated a gift to Canterbury School through our partnership with Sagamore Institute, a Scholarship Granting Organization (SGO). Gifts made through Sagamore provide state tax credits to its donors for the benefit of qualifying Canterbury School students. To learn more about this opportunity, please visit canterburyschool.org/supporting-canterbury/gifts-of-scholarship-sgo or contact the Development Office.
Dr. Laura Parrish and her husband Brandon have been Canterbury parents since 2016 and have been loyal contributors to the school. Laura made the family’s Canterbury Fund donation through the SGO this year. I sat down with Laura to ask her a few questions about the process and her feelings regarding our school community.

Your family joined the Canterbury School community in 2016. How did you discover Canterbury?

Education is very important to us. We researched our education options to find the highest quality school available for our sons. There was no question the choice was Canterbury. While Brandon and I were in dental school, we were close with some peers that had graduated from Canterbury. I was always impressed with their study habits and time management abilities. Plus, I went to a small school and found that environment to be beneficial. When it was time to send our children to school, there was no questioning that Canterbury was the answer.

Your children have just completed their fifth year at Canterbury, how do you feel about the school now?

We have enjoyed watching the boys grow academically -- even during Covid! We’ve loved every teacher and have found everyone at Canterbury to be friendly and helpful. Canterbury truly feels like a family and we appreciate the small class sizes and exemplary academics. Our children are well rounded thanks to Canterbury; the Artist, Athlete, Scholar is more than just a tagline. Our boys love school and as parents, we feel extremely committed! We feel very fortunate to have our children at Canterbury and highly recommend it to others.

You made a Canterbury Fund donation through the Sagamore, the Scholarship Granting Organization (SGO) Canterbury has partnered with. Why did you decide to use it for your contribution?

A tri-fold brochure explaining the opportunity came in our annual appeal solicitation and the letter we received requesting a donation this year mentioned the benefits as well. It was very easy to access the information and link to donate from Canterbury’s website. The 50% state credit was great! This is a fantastic opportunity to help the school and receive a tax incentive in the process. It truly is a win-win for the school and anyone who chooses to give through the SGO to benefit Canterbury.
The Laughing Cavalier
Charlotte’s Web

The Laughing Cavalier began in 1985 as a dinner featuring a named comedian; hence the name Laughing Cavalier! Today, the event is a gala fundraiser that benefits Canterbury School. More than 250 parents, alumni, parents of alumni, faculty, staff, and friends attended the 2021 Laughing Cavalier Charlotte’s Web. The event, a highlight of the year, was a great success and we appreciate the support from the businesses and individuals listed below.

Thank you, Mr. O, for the introduction. Good evening, I am honored to be speaking to you tonight. I cannot believe my time at Canterbury is coming to an end. Looking back, it has become clear to me that the efforts made by the faculty in establishing and maintaining a high standard of excellence, is only one aspect of our community which makes it so great. Canterbury’s motto, “Artist, Athlete, Scholar” reflects the attempt to offer something for everyone and encourage the exploration of all aspects of school life and the lifelong skills and memories that are gained from a well balanced education.

If I had not attended Canterbury, I probably wouldn’t have even made the middle school soccer team; fortunately for me, however, Canterbury has a no-cut policy, which allowed me to learn the game of soccer from one of Indiana’s most renowned and decorated coaches, Coach Mauch. I learned so much from him and I owe all credit for my great experiences on the high school team to him. During my 4 years on the team, I became friends with people from every grade level, and shared unforgettable experiences during practices, games, and even state tournaments. I never would have had those opportunities, relationships and memories without the support of Canterbury. The school’s curriculum has equipped me with a diverse range of skills, starting in the lower school. I remember an emphasis on building important traits of good character in lower school specifically during Chapel. I participated in both the band and orchestra while in middle school, trying my hand at both the Bass and the Trombone. The high school AP classes, such as AP Calculus with Mr. Walda, have prepared me for college, where I will be majoring in computer science. Something that will always stick with me is how dedicated the staff was during our time online for quarantine, especially Ms. Crupi. I would hear from my friends at other schools how they had pre-recorded lectures that would turn out to be inaudible or classes that would be cancelled altogether; whereas at Canterbury, the teachers were always on time, offered office hours to make sure that the strength of the curriculum was unaffected by the unfortunate circumstances, and even went above and beyond to check in on our well-being during such a mentally challenging time.

Canterbury has influenced my entire life during the past 16 years I have been a student here. Whether it was helping me be the best soccer player I could be, working with Mrs. Hancock on an essay that I was struggling with, or giving me the opportunity to play Pumbaa in the Lion King musical, despite never having sang or acted in front of anyone before, Canterbury has repeatedly encouraged me to fearlessly pursue every opportunity. I know that I am well prepared to meet difficult challenges as I go off to college at Georgia Tech in the fall, thanks to the unmatched support of our faculty.
Endowed Funds

Each year endowment gifts are received from donors who wish to help secure Canterbury’s financial future and simultaneously endow a favorite program or honor the memory of a loved one. Gifts of any amount are gladly accepted. Named funds are established with a gift of $50,000 or more; $100,000 for a scholarship fund. The school is grateful to the many members of the Canterbury community who have established named funds to provide financial aid or support academic and program excellence. The principal of each endowed gift is preserved while its earnings provide annual support and moderate the pressure on tuition in future years. The endowment is prudently managed by the Canterbury Foundation on behalf of the school.

Special Gifts
A successful school year requires time, energy and financial resources by many individuals, businesses and foundations. Each year we receive many cash and non-cash gifts in support of all aspects of school life. Individually, each gift is sincerely appreciated. Collectively these gifts enhance the school’s resources for the given year and help create the educational experience for which we strive at Canterbury. We acknowledge these contributions of cash gifts of $1,000 or more during the 2020-21 fiscal year.
The 1977 Society was founded in 2000 to recognize and honor individuals who have remembered Canterbury School in their estate plans, either in their will or through another type of planned gift. The name of the society reflects the founding year of the school and the long-term commitment of the society members. Their thoughtful and caring support of the school’s mission through planned giving will help ensure the financial viability of Canterbury long into the future. The school is profoundly honored by and grateful to all 1977 Society members for their generous and compassionate support. The following individuals have notified the school in writing of their plans:

Gina and James Arata

Canterbury School acknowledges with gratitude gifts received through the estate plans of Ben D. Mills and Carl J. Suedhoff, Jr.

Bequests and other planned gifts for the benefit of Canterbury School can provide for scholarships; bolster faculty salaries and enrichment; help with academic and capital improvements; or, be used for general operating purposes. In an effort to make this powerful form of giving more accessible to our community, Canterbury has partnered with FreeWill to offer an online will-writing tool that makes creating a bequest easy and free of cost. If you would like to join the many visionary donors in our 1977 Society, visit FreeWill.com/Canterbury to get started. If you have already made provisions to honor the school in this way, please let us know! We would welcome the opportunity to thank you today for the support you are providing Canterbury tomorrow by including you as a member in the school’s planned giving recognition club, the 1977 Society (named for the founding year of the school.)

Canterbury School Leadership 2020-2021

Board of Trustees
Canterbury School is a non-profit educational corporation with a self-electing Board of Trustees. The three primary roles of the Board of Trustees are to establish policies and plans in support of the school mission, focus on long-range strategic goals, and ensure responsible stewardship of the school’s fiscal and physical resources.

Matthew C. Wojewuczki, Chair
Laurence M. Weigand, Vice Chair
Charles J. Surack, Vice Chair
Thomas T. Teel, Secretary
Todd M. Jacobs, Treasurer
Kathryn D. Callen, Foundation Representative

Foundation
The Canterbury School Foundation was founded in 1985, as a non-profit corporation that operates exclusively for the benefit of Canterbury School. The Foundation fulfills that role through the management and growth of the endowment, making periodic contributions to the School’s operation, and assisting and participating in the maintenance of the School. It is governed by a Board of Directors. Membership is open to all persons recommended to the Foundation’s Nominating Committee and approved by the Foundation Board.

Canterbury School: THE IMPACT REPORT
Volunteer Thank You
The mission of Canterbury School’s Parent Association is to bring parents together to enrich our community and to support and strengthen our school. The Parent Association achieves this mission by:

• Planning community-enriching events and organizing volunteers
• Facilitating communication among parents, teachers and administrators
• Fundraising to support school programs

We are extremely grateful to the Parent Association Steering Committee for serving our parent body so cohesively during this unprecedented year. It was a school year like no other! Lindsay Chaillé, President shares, “The Parent Association was fortunate to use this unique year to concentrate on the faculty and staff. Parent volunteers helped organize catered meals, snacks, and drinks throughout the school year. One of the greatest challenges was working with the new and existing leadership team to reimagine important Canterbury events and traditions. Ensuring these time honored traditions took place without compromising the safety of the faculty, staff and students was a grueling task and the leadership team deserves major kudos! I’m looking forward to experiencing a more traditional year and showing our new students, parents, and faculty what an amazing community Canterbury truly is!”

Every Canterbury School parent, from Early Childhood through Grade 12, is considered a member of the association and is encouraged to participate however they wish. There are volunteer opportunities to showcase various talents and accommodate every schedule. Please consider sharing your skills for the 2021-22 school year. To learn more visit canterburyschool.org/volunteer or email chaille4iu@yahoo.com.

Thank you to the Parent Association Steering Committee Members and all of the parents who participated in Parent Association events during the 2020-2021 school year.

Development Committee
As a standing committee of the Board of Trustees of Canterbury School, the Development Committee is charged with sustaining the mission of the school by overseeing its fund-raising activity. The committee serves in an advisory role, in a review capacity, and as a resource to the development officers of the school aiding in cultivation, solicitation and or stewardship activities.

Committee membership is carefully selected from a diverse talent pool with representatives from various professional and Canterbury affiliations. The members are expected to be active participants in meetings, campaigns, and through task force work.

As a non-profit organization, Canterbury School relies on your donations each year. Our independent school business model fosters a culture of philanthropy. Thank you for your support!

The combination of annual tuition and donated funds supports the current year’s operational needs, including the outstanding faculty and staff who serve our students and families.

Final Notes
Canterbury School recognizes members of our community for their generous donations and support during the fiscal year, July 1, 2020 - June 30, 2021. If you would like your name to be recognized differently in the future, please let the development office know so we may update our records. With thanks and appreciation.

FOR SUPPORTING CANTERBURY

We Love
Canterbury
School
Why do you support CANTERBURY SCHOOL

“Canterbury gave me the leadership skills I now need as an adult to navigate differing views and opinions in our society.”
– Alumna, Class of 2008

“They say it “takes a village” to raise a child. I can think of no better place for our kids to be than Canterbury. This unique year has really shown how Canterbury comes together to raise children. I am impressed with how much time, energy, thoughtfulness and planning goes into making sure our kids have the framework, resources, and support to continue their educational growth regardless of their status of “in-person” or “remote” learning. Not to mention the ability to accommodate changing that status, on either an individual or division level, at the drop of a hat.”
– Current Parent

“Words cannot express how grateful we are for all of the teachers our daughter and son had at Canterbury School. It truly is a school that has given my children the academic, athletic and fine arts rigor needed to pursue their dreams.”
– Canterbury Lower School Teacher and Parent of two Alumni
