Canterbury Fund

We ask every member of the Canterbury community to support the Canterbury Fund with an annual contribution. These gifts are utilized during the current fiscal year to enrich the Canterbury experience by enhancing our programs, providing opportunities for our students to explore and engage with their passions, fostering a supportive learning environment, and investing in our faculty and staff’s professional growth, so that we are maximizing every student’s potential. We are very appreciative of every donor listed, including the 72 donors at the Leadership level and above who supported this fund so generously. Many thanks!

% 110 % Club members who have given to the Canterbury Fund with at least 10 % more than the previous fiscal year
◊ Stalwarts are those who have given in the 21-22 fiscal year and the past consecutive nine years or Alumni Stalwarts who have given since their graduation year.

Laughing Cavalier 2022: Alice in Wonderland

The Laughing Cavalier began in 1985 as a dinner featuring a named comedian; hence the name Laughing Cavalier! Today, the event is a gala fundraiser that benefits Canterbury School. Parents, alumni, parents of alumni, faculty, staff, and friends attended the 2022 Laughing Cavalier Alice in Wonderland to celebrate the school. The event, a highlight of the year, was a great success and we appreciate the support from the businesses and individuals listed below.

A successful school year requires time, energy and financial resources by many individuals, businesses and foundations. Each year we receive many cash and non-cash gifts in support of all aspects of school life. Individually, each gift is sincerely appreciated. Collectively these gifts enhance the school's resources for the given year and help create the educational experience for which we strive at Canterbury. We acknowledge these contributions of cash gifts of $1,000 or more during the 2021-22 fiscal year.

1977 Society

The 1977 Society was founded in 2000 to recognize and honor individuals who have remembered Canterbury School in their estate plans, either in their will or through another type of planned gift. The name of the society reflects the founding year of the school and the long-term commitment of the society members. Their thoughtful and caring support of the school’s mission through planned giving will help ensure the financial viability of Canterbury long into the future. Canterbury School acknowledges with gratitude gifts received through the estate plans of Ben D. Mills and Carl J. Suedhoff, Jr.

Bequests and other planned gifts for the benefit of Canterbury School can provide for scholarships; bolster faculty salaries and enrichment; help with academic and capital improvements; or, be used for general operating purposes. In an effort to make this powerful form of giving more accessible to our community, Canterbury has partnered with FreeWill to offer an online will-writing tool that makes creating a bequest easy and free of cost. If you would like to join the many visionary donors in our 1977 Society, visit FreeWill.com/Canterbury to get started. If you have already made provisions to honor the school in this way, please let us know! We would welcome the opportunity to thank you today for the support you are providing Canterbury tomorrow by including you as a member in the school’s planned giving recognition club, the 1977 Society (named for the founding year of the school.)
