Section I • Introduction

Our Mission

The mission of Canterbury School is to maximize the potential of young people by providing a challenging, enriching, and supportive learning environment in which students build the foundation for a life of purpose, passion, and meaning.

- As an independent school, we are able to place the personal, social, and spiritual well being of each student at the center of all we do.
- As a college preparatory school, we strive to balance our treasured traditions with the needs and expectations of the students and families we serve.

Our Story

Canterbury was founded in 1977 by a group of parents seeking to create an educational program that would better serve their children. The founders envisioned a school that would inspire and motivate students, cultivate an understanding and appreciation of the fine arts, develop an understanding of the world especially by the study of foreign language, and instill an understanding of Christian principles in their students' lives.

Canterbury opened September 8, 1977, with 89 students, grades Kindergarten through 6. Today, Canterbury is a coeducational day school offering a college preparatory education to students in Early Childhood through grade 12. Canterbury strives every day to live by the words in its crest: "Integrity In All Things."

Our Beliefs

While the structure of Canterbury has changed since 1977, the school remains committed to the four founding pillars of intellectual, physical, social, and spiritual development. To that end, Canterbury has created an educational experience founded on the following set of core beliefs:

- A strong and broad base of knowledge and a genuine love for and appreciation of learning are best accomplished through a challenging college preparatory curriculum.
- Student learning is built on relationships – student to student, student to teacher, parent to teacher, and school to community.
- Character development is grounded in the Christian principles of compassion, forgiveness, love and kindness in support of the faith of each family.
- Participation in the arts and athletics is essential in the development of the well-rounded individual.

Our Students

Canterbury actively seeks to enroll students who will take advantage of all that our unique educational community offers. Our experience tells us that students who succeed at Canterbury have the following characteristics:

- They are motivated by a strong internal desire to learn.
- They have the ability to meet high expectations for academic performance.
- They and their families are willing to invest themselves fully in the Canterbury experience.

To these students, we commit to providing:

- A challenging curriculum that features the best of traditional and contemporary educational practices.
- Opportunities to discover and develop their potential through a full range of academic, artistic, athletic, and co-curricular experiences.
- A commitment from the faculty, students, and administration of Canterbury School to become partners in their growth and development.

Our Results

Our commitment to a transformative educational experience is reflected in the vision we hold for our graduates.

- A Canterbury graduate will achieve the highest level of academic preparation as exhibited by:
 - Mastery of a strong college preparatory curriculum
 - A lifelong habit of intellectual curiosity and creativity
 - Highly-developed critical thinking and problem-solving skills
- A Canterbury graduate will experience significant personal growth as exhibited by:
 - The appropriate and effective use of leadership skills
 - The self-awareness and self-confidence to pursue his or her passions and interests
 - A personal commitment to acting with integrity in all things
 - A sense of responsibility to others and his or her community

Diversity Statement

The School has adopted the following Philosophy of Diversity:

We believe that our school community and its members are enriched by understanding and respecting the uniqueness in all people. We actively seek to create an inclusive environment that emphasizes the importance of embracing our differences. We believe all voices in our community should be valued, appreciated and respected. We are committed to embracing differences in race, religion, ethnicity, national origin, gender, sexual orientation, and socio-economic status, and to affirming the dignity and worth of every individual. We will support policies, programs and practices that promote the diversity of the world in which we live, that create an inclusive and evolving environment in which to teach and accept these differences, and that are consistent with our school's mission.

From this philosophy, an Administrative Action Plan has been created which is reviewed and updated every few years. The plan includes direction for the School in the areas of curriculum, faculty life, leadership, student life, community celebrations, admissions, publications and visual environment. The review is undertaken by a joint committee of board, administration and faculty members.

This statement of philosophy on diversity applies to and supports the School's published nondiscrimination statement, "Canterbury School admits students without regard to race, color, religion, national origin, gender, sexual orientation, or any other characteristic. It does not discriminate in the administration of its educational policies, financial aid programs, hiring practices and other school administered programs."

Board of Trustees

Canterbury School is a non-profit educational corporation with a self-electing Board of Trustees. The three primary roles of the Board of Trustees are to establish policies and plans in support of the adopted school mission, to focus on long-range and strategic goals, and to ensure responsible stewardship of the School's fiscal and physical resources.

Members:

- Todd Jacobs, Chair
- Charles Surack, Co-Vice Chair
- Laurence Weigand, Co-Vice Chair
- Matt Bierbaum, Secretary
- Shannon Hardiek, Treasurer
- Kevan Biggs
- Nikole Carver
- Sara Ayres Craig
- Glen Dixon
- Matthew Elliott
- Mohammed Ghazali
- Victoria Grabowski

- Arvind Surendran
- Richard R. Waterfield
- Matthew Wojewuczki
- Steven Zacher
- Kathryn Callen, Foundation Representative (*ex-officio*)
- David Jackson, Head of School (*ex-officio*)

Canterbury Foundation

The Canterbury Foundation is a non-profit corporation that was founded in 1985. The Foundation was established to operate exclusively for the benefit of Canterbury School and currently fulfills that role through the stewardship of the endowment. The Foundation is governed by a Board of Directors. Membership is open to all persons recommended by the Foundation's Nominating Committee.

Members:

- Robert W. Godley, President
- Kathryn D. Callen, Vice President and School Board Liaison
- Jeanette D. Schouweiler, Secretary
- Richard D. Waterfield, Treasurer
- Hollis T. Bierman
- William R. Cast
- Jonathan M. Hancock
- Shannon Hardiek, Board of Trustees Treasurer

Business Office Assistant
Student Accounts Specialist
Accounting Manager
Director of Technology
Director of Maintenance Operations
Director of Outdoor Maintenance
Director of Food Service
School Nurse

Section II • General Information

School Operations

School Hours

Lower School student hours are from 8:00-3:00. Office personnel are in the building from 7:30-4:30 daily.

Attendance Policy

Students are expected to attend class each day school is in session. Students who are absent for more than three consecutive days due to a medical condition or injury are required to provide documentation from their physician to verify the absence. Students must be present for no fewer than 90% of all school days in a calendar year to receive credit for that school year. Any days missed beyond that limit will be addressed with the family by the Student Conduct Committee, in addition to the Head of School. Parents are urged to avoid taking their children out of school early before vacation periods or returning them late. All extracurricular activities should be scheduled outside of school hours.

Consistent attendance at school is expected. Teachers and/or office staff should be informed of student absences/tardies via email or a phone call **before 8:30**. Students with excessive absences (less than 90% days present) will be referred to the Division Director. The school office will notify families after the 5th tardy. After 10 tardies, there will be a referral to the Division Director.

For students who will be absent for extended periods (vacation, planned medical events) the classroom teacher, office and Division Director should be informed of absences a week in advance.

Medical and dental appointments should be made for after-school hours when possible. Any student who leaves school before the end of the day must be signed out by a parent or guardian in the school office.

Arrival and Departure Information

Carpool

The carpool line is a no cell phone/texting zone. Vehicles should always follow the pavement arrows in a counter-clockwise pattern around the Lower School/Middle School parking lot. Traffic lanes, especially at the school entrances, must never be used for parking. These are fire lanes and must be kept clear to allow fire or rescue vehicle access. Both outbound lanes are right turn only at the exit on to South Bend Drive. Parents must walk their child in or out of school if they have parked in the parking lot to drop off or pick up their child.

Students arriving at school prior to the start of school day should be dropped off at Door 1. Extended Day Care services begin at 7:30 a.m. and are available for a fee. (Students arriving between 7:45 a.m. and 8:00 a.m. are not charged a fee through EDC). School is not open prior to 7:30 a.m.

Morning Carpool

Morning carpool takes place from 7:30-8:00 a.m. Morning carpool begins when the carpool teacher or volunteers have placed the carpool signs out and have started to use the stop signs. ***Students who arrive after 8:10 are expected to be walked into the building by an adult and signed into the office.***

During morning carpool, drivers should form a double line in the carpool lanes. Students may only exit their cars when they are inside of the drop-off zone – the area marked by a double yellow line between the top Lower School crosswalk and the Middle School crosswalk. Parents must pay careful attention to the stop signs and carpool worker directions. For student safety, carpool workers may ask you to stop outside of the drop-off area even if it is only partially full. Safety is always considered above convenience. When instructed to do so, drivers should pull forward to the top crosswalk and shift their vehicles into park before students exit their cars. Parents must not stop on top of crosswalks. Students exiting cars in the sidewalk lane should exit from the passenger side and go immediately to the sidewalk. Students exiting cars in the outside lane should walk on the double yellow lines until they reach the nearest crosswalk; they should then cross to the sidewalk and walk on the sidewalk to their entrance. Students should not cross between cars to reach the sidewalk. Drivers should remain stopped until instructed to exit the parking lot by carpool workers. ***Drivers should not exit their car during carpool.***

For days when school is delayed, students may arrive no earlier than 9:45 AM. There is no morning EDC. Two hour delays apply to both students and Canterbury personnel.

Afternoon Carpool

Afternoon carpool occurs from 3:00 - 3:45 p.m. During afternoon carpool, drivers should form a double line in the carpool lanes, following the arrows on the pavement and stopping at the top crosswalk by the Lower School entrance. Parents must not stop on the crosswalk exiting from the Lower School doors; students use it to reach the double yellow line walk area.

Cars should not line up for Carpool prior to 2:50 p.m. At 2:50 p.m., cars should form a single line closest to the sidewalk so faculty and visitors are not blocked in. At 3:00 p.m. drivers may form a double line.

All K-4 students who depart by car are dismissed from the Lower School entrance only (Door 1), and they are required to walk between the cars on the double yellow line in order to reach their cars. Circle Drive is for Early Childhood dismissal only. ***Parents are to remain in their cars and off cell phones.*** Drivers should remain stopped until instructed to exit the parking lot by carpool workers. Parents who need to pick up their children early must park and then enter the building to retrieve their child.

Carpool numbers should be clearly posted on the windshield of the car.

If a child is not picked up in carpool by 3:45 p.m., he/she is directed to go to Extended Day Care (EDC).

Bus

Bus service is available for a fee to children in Kindergarten through Grade 12. Bus service may be available to Prep and Junior Kindergarten students if a responsible older sibling can ride the bus with them. The business office oversees this service and determines routes based on the locations of those requesting the service. It is the school's desire to keep all bus routes to less than an hour. Procedures are established to ensure the safety of each child and must be followed consistently. Students who repeatedly misbehave on the bus are not allowed to ride for a length of time determined by the administration.

Bus Rules and Regulations

Students are expected to follow these rules on and around buses to promote the safety and well-being of all riders:

- Approach the bus only after it stops completely and the door is opened.
- Board single file and sit in a seat promptly. Drivers may assign seats.
- Stay seated, facing forward, and maintain order while riding the bus.
- Do not eat or drink on the bus unless granted permission by the bus driver. Gum is not permitted.
- Open windows only with permission of the bus driver. Do not throw objects out the window.
- Do not place any part of your body out of the window.
- Use the emergency door only as necessary or as directed by the driver.
- Keep aisles clear. Large, bulky items should not be transported on the bus without permission of the driver.
- Stand to leave only when the bus has come to a complete stop.
- Keep the bus clean; be responsible for belongings; dispose of litter in the proper place.
- Walk away from the bus quickly. Use caution when walking directly in front of the bus and never walk behind the bus.
- Respect the bus driver and maintain good manners.
- School rules and Canterbury expectations for behavior apply while students are riding the bus.

Extended Day Care (EDC)

Students in Kindergarten through Grade 4 who arrive early or remain after school hours must be with a member of the faculty or in the Extended Day program. This service is available for a fee from 7:30-7:45 a.m. and 3:00-6:00 p.m. in the EDC room M-Th (3:00-5:30 p.m. on Fridays). There is no charge for EDC from 7:45-8:00 a.m. Students are not permitted to roam freely through the building before or after normal hours. The program offers supervised recreation and quiet study as well as a nutritious afternoon snack. Students are not allowed to wait in the lobby for parents after school. They must be in the NOG for carpool, at bus dismissal or in EDC.

School Departure Changes

If a child has plans to go to a place other than home or with a person other than the parent or appointed adult, send a note explaining the change to his or her teacher or call the office by noon. ***If no communication has been received prior to dismissal, the teacher and school assume the child goes home as usual.*** Unless an emergency arises, please do not call the office between 2:30 and 3:15 p.m. Arrangements should be made and understood by the child in the morning. No “play dates” may be made by a child during the school day. ***Parents should not depend on emailing teachers to make dismissal changes.*** Changes should be made by calling the office.

School Closing and Delay, Snow Days

Occasionally, weather forces the cancellation or the delay of school. All information concerning this is carried on WOWO radio (1190 AM) and on Channel 21, WPTA television (Cable Channel 507). Both stations allow you to sign up for school closing and delay alerts on their websites. In addition, Canterbury utilizes the REMIND texting service. Information on signing up for this program can be found on the Canterbury School home page under Parents/Forms. Additionally, closings and delays are posted on the school’s homepage. Criteria used in delaying or canceling school include weather reports, specific local conditions and the desire to hold school whenever possible. *The school recognizes that individual family situations and geography vary considerably and respects the right of parents to keep their children home in inclement weather.*

Early/Alternative Dismissal Procedures

In case of the need to dismiss students from school before the regularly scheduled times, notice is communicated using the same procedures as for school delays or closings if appropriate, through WOWO radio (1190 AM) and WPTA-TV (Channel 21, or Cable Channel 507), the REMIND texting service, information posted on the school website and emails to parents (if possible). Students are dismissed only to the care of their parents, or by verbal or written notice on the date of early dismissal to the care of other designated adults.

Health/Medical Information

HIPAA Privacy Notice

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) requires, among other things, that individually identifiable health information be kept private and confidential. The school makes every reasonable effort to maintain the privacy of the personal health information of its students. The school uses and discloses health information only as allowed by federal law.

Student Emergency Form

All parents are required to annually submit the Online Student Emergency Form for each child attending Canterbury at www.canterburyschool.org/forms. ***This form must be submitted one week prior to the start of school.*** This form also includes field trip permission and travel and trip authorization.

Immunizations

All Lower School students must have an immunization record turned in to the appropriate division office one week before school starts. All Kindergarten students and students new to Canterbury must have a Student Health and Physical form on file. Both are due one week before school starts. Students may not attend school without proper documentation of their necessary vaccines or a completed medical/religious exemption form which must be submitted each year. Medical forms and instructions are available at www.canterburyschool.org/forms.

In-School Medication

If a child needs to take medication during the school day, parents or guardians are required to bring the medicine in its prescription bottle to the School Nurse. An “In-School Medication Permission Form” must also be completed, and can be found on the Canterbury website. Students with a chronic or acute disease or medical condition are, however, permitted to possess and self-administer medication designed for emergencies while the student is on school grounds or off grounds at a school activity or event. The school must have written authorization from the student’s physician for self-administration of those medications. Students may not self-carry medications (either prescriptions or over-the-counter) unless written authorization has been submitted to the School.

Illness

Parents are contacted to take home any student who vomits at school, has a fever above 100.1, or shows other symptoms that warrant attention. Children must be fever-free (without medication), as well as vomit- and diarrhea-free for 24 hours before returning to school.

Injuries

Should a serious accident occur during school hours, parents are immediately contacted via the emergency number on the emergency medical release on file in the divisional office. If there is no answer, the child is taken to Lutheran Hospital’s emergency room, RediMed, or the nearest medical emergency facility. The child’s doctor is also contacted.

For any injuries that occur outside of normal school hours (at home, during sports, etc.), which require additional care during the school day, parents should contact the School Nurse. Head injuries, where a concussion has either been diagnosed or suspected, must be reported to the School Nurse and a doctor’s note (which includes restrictions and dates) must be brought into school clearing the student to return to the classroom. The School works together with the physician for a “Return to Learn” process that benefits students’ returns to the classroom. The concussion guidelines, as established by the CDC, are followed according to the division’s standards.

Food Allergy Policy

In an effort to maintain a safe environment for all students, Canterbury School has developed the following guidelines for students with severe food allergies, recognizing that it is impossible for the school to ensure that the environment is completely risk-free at all times. Canterbury has adopted a “Nut Reduced Risk Environment Policy.” Parents should work with their child to educate him/her as to what foods should be avoided and what to do in case of suspected or known ingestion of an allergen.

- Parents of children with severe food allergies must provide a Food Allergy Action Plan and the In-School medication Permission Form before the first day of school.
- Parents must provide two EpiPens and any necessary antihistamines for their child, where appropriate.
- EpiPens are kept in designated locations, according to each division, for easy access should they be required.
- Student allergy profiles are kept in the lunchroom and classrooms as needed.
- Emergency medications and a copy of the student’s Food Allergy Action Plan should accompany the student on all field trips and athletics events..
- During after-school activities, an EpiPen may be kept in the possession of the student when applicable. A permission form signed by the parent and the physician is required.

Parents of students with severe food allergies should clearly inform faculty of what foods their child may eat and what foods are to be avoided. The Food Allergy Action Plan is located on the school website under “Forms and Information.” ***Parents should provide an alternative snack*** or meal for the lunchroom, parties, trips, or classroom activities if they are concerned about their child’s consumption of an allergen. Barring specific parent directions, faculty members withhold foods suspected of containing ingredients to which the child is allergic and make reasonable efforts to not allow the student to share food with others. Parents of students with severe food allergies are also encouraged to share relevant information with other parents as appropriate (i.e. room parents). Parents with additional concerns should contact the School Nurse and the Division Director.

Nut Reduced-Risk Environment Policy

Canterbury School strives to maintain a nut-reduced-risk environment. Nut reduced-risk is defined as reducing exposure to food that may contain tree nuts or peanut products in the ingredient list.

- The school food service prepares food that excludes tree nuts or peanuts in the ingredient list.
- A separate table is provided in the lunchroom for students with a tree nut or peanut allergy and no peanuts or tree nuts are allowed to be consumed at that table. A specific cleaning protocol has been developed for this table.
- To avoid contamination, foods containing tree nuts or peanuts are not to be consumed outside of the lunchroom and students are discouraged from sharing food.
- Parents should provide a lunch and/or snack from home if they are concerned about the suitability of food at school for their child.
- Parents of students with severe allergies are encouraged to contact the appropriate Division Director or the School Nurse with additional concerns.
- Canterbury School strongly encourages parents and students to avoid bringing in foods that contain nuts in the ingredient list.

Chronic, Severely Acute, and Contagious Disease Policy

Incidents of any of the above conditions are dealt with on a case-by-case basis, with the School making every effort to fairly balance the individual's interest with the interests of the School and its constituents.

Head Lice Policy

Parents have the prime responsibility of assisting in the prevention and management of head lice and nit cases through regular checks of their child's hair and by starting immediate and thorough treatment when head lice or nits are detected. While head lice and nits are a nuisance, they do not spread disease and are not a health risk. Faculty members are educated about head lice identification, treatment, prevention, and protocol.

A student with nits only (no live lice found) is allowed to remain in school. The Division Director and the student's parents are notified.

A student found to have live lice while at school is sent home for treatment (removal of lice and nits with the use of an appropriate shampoo). Notification of parents of students thought to be at high risk for contact, such as grade-level classmates, is determined by the Division Director in consultation with the Head of School.

If parents find head lice on a child while at home, they are required to notify the School Nurse and administer treatment as directed. The School Nurse checks the child for head lice upon return to school and weekly for up to one month. If a parent suspects head lice, the School Nurse may be asked to confirm an active case. Lice Clinics of America has a location in Fort Wayne, and is highly recommended. Parents should contact the School Nurse for further information.

This policy is supported by the American Academy of Pediatrics, The National Association of School Nurses, and the CDC.

Parent Partnership

Communication

Canterbury School is committed to open, clear, frequent and friendly communication with parents. Families can expect teachers and administrators to respond to phone calls and emails within 24 hours, or if on a Friday, by the end of the day on Monday. Teachers may not have access to email during the school day. Because of this, please do not assume time sensitive information will be received in a timely manner. For this reason, office staff should be notified as well. For more complex conversations, it is recommended that a conference or phone call be requested.

Weekly emails communicate important classroom/school information. Please be sure email addresses are updated when needed.

To discuss a student's performance, concerns and progress, please arrange a conference or request a call from a teacher.

To ensure proper communication, messages from parents to the school must be written, not transmitted verbally via students. Students are permitted to use school office telephones in cases of emergency or when the school initiates a change of plans or schedule. ***Students are not allowed to have cellphones or other devices with texting or WiFi capabilities in school at any time. This includes Apple watches and iPods.***

School Visits

Parents and students must adhere to the following guidelines when visiting:

- Parents and guests who visit Canterbury School must use the Lower School entrance Door 1 to enter the building. Beginning at 8:10 a.m. Door 1 is locked and visitors are buzzed in and sign in at the office. All other school doors are locked throughout the day.
- When involved in programming, please be respectful of the rules, procedures and expectations put in place by the school and teacher in charge. If a parent's presence is determined to be a disruption to learning, or otherwise unhelpful, the school may ask the parent to limit visits to school. In extreme situations, the School reserves the right to ask parents to leave the premises.
- Please refrain from using an informal school visit as an opportunity to initiate a conversation about a specific concern with a teacher during instruction and programming.
- When parents visit the classroom, they may see or hear information pertaining to other students. It is each parent's responsibility to hold that information in strict confidence.
- A parent may not post pictures taken at school that include students other than their own onto a social media site without express parental permission.
- Lunch visits and outside food are allowed for birthdays.

Canterbury Parent Association and Volunteers

Every parent automatically becomes a member of the Canterbury Parent Association with the enrollment of a student. The association supports the administration, faculty, and students by providing volunteers and expertise for numerous projects. All parents are invited to the regularly scheduled Parent Association meetings listed on the school calendar and on the website.

Canterbury School was founded with a commitment of parent volunteers and the need for active volunteers today is just as strong. We encourage parents and other family members to take part in school activities as their schedules permit. You also may wish to volunteer in the lunchroom, library or during morning carpool. The volunteer efforts of all parents are essential to maintaining the high quality of our school programs. We may ask for your assistance on field studies, or in sharing your expertise, cultural or religious celebrations, hobbies or travel experiences in a classroom.

Volunteer opportunities are listed in the Parents section of the school website, and parents may sign-up to volunteer through the site. Parent Association representatives present volunteer opportunities at orientations and Back-to-School nights and provide parents with an opportunity to sign up. Additionally, parents may call a member of the Parent Association Steering Committee listed in the front of this book to volunteer at any time.

Section III • Educational Program

Academics

Class Groupings

The Lower School Director and teachers place students in classes after careful consideration of all factors that affect the educational development of the individual student. Recommendations of teachers, individual learning styles, class balance and group dynamics are among the many factors evaluated. Parents are asked to trust the school's professional judgment when making placement decisions for students.

Homework

Homework is a way to help students develop a sense of responsibility for their learning, but is meant to be assigned in moderation during the Lower School years. Assignments may include practicing or reviewing concepts studied in school; gathering information or materials to be used in discussion, reports or special projects; studying for tests; and reading for pleasure. Daily work not completed in school is often sent home. If this happens frequently, a parent-teacher-student conference should be arranged. We ask parents to help by providing a quiet place and time for homework to be completed. It is also important for parents to check and discuss the homework. It is not recommended that parents sit with a child as he or she is doing homework. If at any time the amount of homework becomes difficult for a specific student to manage, the family is asked to contact the classroom teacher to discuss.

Homework is not given over long breaks. However, the expectation that students continually engage in independent reading is always in place. Students may have long-term assignments that periodically require weekend homework.

Forgotten Homework or Assignments

All teachers discuss responsibility regarding personal belongings and tasks with their students. To assist the school in developing this trait among students, *we ask that parents not return to school in the evening, or bring in forgotten items during the day for the child.* These are opportunities for children to experience natural consequences that build their capacity for responsibility in the future. Faculty members are never to be called at home in the evening or on the weekends to open the school so that families can retrieve forgotten items.

Daily Planners

An integral part of our program is to aid the child in developing study strategies, including memory skills and organization of time and materials. Each child in grades 1-4 is required to have a Daily Planner. Assignments are noted daily and materials organized accordingly. Teachers may include a note to parents. Parents are asked to refer to this daily and guide children in completing tasks. Parents are invited to use the planner to communicate with the school.

Field Studies

Field studies are an important part of a student's educational experience at Canterbury and participation is considered mandatory. Trips vary considerably in their duration, destination, and design; consequently, expectations for students are typically outlined by the appropriate teachers or the School. In all instances, however, Canterbury expectations for behavior apply to student conduct and responsibilities.

If, for health reasons, a child is not able to participate in the field study, parents must notify the School. There is no supervision at school when all teachers and students in a grade level are off campus, so an alternate plan must be created.

Formal Assessment

Students in the Lower School are assessed three times during the year in math and reading using the STAR assessment, a computerized adaptive test. Students may be assessed more frequently to monitor progress as needed. Results are provided to parents following assessments and can be discussed with classroom teachers at any time.

Progress Reports

Narrative progress reports and/or skills checklists from classroom teachers are issued at the end of each quarter. Semester reports are issued for the areas of art, music, physical education, religion, French, Spanish, drama and science.

Skills checklists are rated using:

- I (Improvement Needed)
- M (Meets Expectations)
- E (Exceeds Expectations.)

No letter grades are given in the Lower School.

Parent-Teacher Conferences

Formal conferences are scheduled on parent conference days in the fall, winter and spring. Conferences are scheduled online and a link is available to parents via the school's Morning Update and the school website a few weeks in advance of conferences. Additional conferences between parents and teachers may be held at any time if needed.

After School Enrichment and Clubs

Each quarter, the Lower School offers a menu of after-school Enrichment classes, available for a fee. These include a variety of classes such as chess, dance, gymnastics, piano lessons, STEM activities and crafts. Information on classes, cost and registration are sent home each quarter. Enrichment classes, clubs and activities are considered extensions of the school day therefore school expectations and guidelines are upheld.

Academic Expectations/Conduct

Classwork

Students will be expected to complete classroom assignments in the timeline given by the classroom teacher. Missing or late assignments will be reflected in their progress report. Students with repeatedly late or missing assignments will make up work during student choice time.

Cheating

Cheating is defined as the giving or taking of an unfair advantage on exams, quizzes, or assignments.

Plagiarism

Plagiarism may be defined as the attempt to take something that someone else has said or written and present it as one's own. For example, copying someone else's work exactly without proper citation or representing as one's own an idea or concept created by another, without proper citation.

Attendance/tardies

Students that are late to school or miss days will be expected to make up work missed in a reasonable amount of time (one day for each day absent).

Students must be present for no fewer than 90% of all school days in a calendar year to receive credit for that school year. Any days missed beyond that limit will be addressed with the family by the Student Conduct Committee, in addition to the Head of School.

Technology Conduct

Lower School students may not use cell phones in any Canterbury setting. They may not wear watches that can function as a phone or texting device. If a student brings a cell phone or wearable device to school, the teacher/administrator will take the device until it can be picked up by a parent or guardian. Students are responsible for following Canterbury's Technology Acceptable Use Policy. Disciplinary responses will be followed should there be violations of the Technology Acceptable Use Policy.

Section IV • Student Life

Character Development

Canterbury Core Values

Canterbury School believes that it is important to educate students for character as well as intellect, that virtue and knowledge are two goals of education for young people, and that a deliberate plan for character education is an important part of the school program. For a student to attain maximum growth, it takes the combined commitment and ongoing effort of the student, parents, and faculty.

Lower School Character Program

Each month, the Lower School focuses on a different virtue, providing an understanding of its meaning and ways for all children to implement that virtue. The virtue is highlighted each month through Chapel and class discussions, projects and books in the classroom, and displays on the bulletin board outside the EDC room. Some of the virtues included in this program are self-control, gratitude, kindness, integrity, perseverance and respect.

Chapels

Lower School Chapel happens on Monday, Tuesday, and Friday with a K-8 Chapel on Wednesdays. It is an opportunity for the Lower School community to meet and share in a common experience. Chapel is presented by faculty, groups of students or guest speakers. Content ranges from skits, stories or words of wisdom and often includes singing and prayer. Messages delivered are morally, spiritually or ethically edifying.

Service Learning

At every grade level and as a division, students engage in service learning opportunities throughout the year. In Lower School, students learn through grade level initiatives to give of their time and effort for those who are suffering or in need. Throughout the year, there are also Lower School philanthropic activities that families can participate in to encourage a spirit of service and giving.

Classroom Responsibilities

All students have a responsibility to help maintain the school building and grounds as part of the Canterbury community.

Student Support**Classroom Teachers**

Classroom teachers ensure that each student receives the individualized attention necessary to become a successful Canterbury student and to promote the shared values of the Canterbury community. Teachers contact parents informally throughout the school year. Parents are encouraged to contact their student's teachers with questions and special concerns. Teachers will respond to any emails or phone calls within 24 hours during weekdays and Monday if over the weekend.

Reading Specialist

The Lower School Reading Specialist provides specialized reading intervention for students who struggle in the area of reading development. Students receive services based on testing and teacher recommendation.

Division Director

The Lower School Division Director is responsible for the overall running of the Lower School curriculum and programs. They will be involved in any ongoing behavior or discipline situations happening in the classroom and any decisions regarding operations, admissions and other non-classroom issues.

School Counselor

The School Counselor provides school-related services. These services may include short-term, school-related counseling or crisis consultation and referral, behavioral observation and intervention recommendations, psychoeducational screening, recommendations regarding modified testing/classroom accommodations, parenting education, establishing student support groups, and faculty consultations. Students may be referred to the School Counselor by themselves, by faculty and administration, or by parents through consultation with the Division Director and classroom teacher.

Student Resource Officer

The Lower School Student Resource Officer provides safety services and safety education for the Canterbury Community.

Enrichment/EDC

The Enrichment and EDC programs give students an opportunity to extend their school day. Registration for each program is required and enrollment deadlines will be upheld. Information on programs can be found on the Canterbury website.

Behavioral Expectations

Lower School promotes a culture of kindness and empathy, in which all students are expected to be respectful and considerate of, and cooperative with their fellow students, teachers, and other school community members at all times, and to accept the consequences of their actions. Respect for others and their property, honor, integrity, charity, and cheerful cooperation are considered basic tenets of life at Canterbury School. All students deserve to learn in a safe and welcoming environment. Those students who do not meet behavioral expectations, who are repeatedly disruptive or disrespectful, cause purposeful physical/emotional harm to others, or for whom other methods of discipline have been unsuccessful, will be removed from certain activities or even sent home at the discretion of the Lower School Director after conferencing with those teachers involved in each incident.

The following Canterbury Expectations form the basis for all other rules and guidelines, and may be invoked in response to any situation not specifically covered in this handbook. Violations of Canterbury School Expectations may be deemed violations of major school rules. This list of expectations is designed to emphasize the positive nature of a student's commitment to the School and to sustain the environment that reflects the School's educational, moral, and spiritual goals.

- Students treat others as they expect to be treated.
- Students demonstrate respect for peers and faculty, as well as responsiveness to faculty direction.
- Students contribute to the basic upkeep and cleanliness of the buildings and grounds.
- Students refrain from engaging in physical or verbal harassment or profanity.
- Students' behavior inside and outside the classroom should be consistent with the general educational and spiritual goals of the school community.
- Students actively contribute to the educational and spiritual goals of the School.
- Students have a responsibility to be positive ambassadors of Canterbury School in the greater Fort Wayne community and on all school trips.
- Students follow the dress code as outlined in the Parent and Student Handbook.
- Students will follow the *Technology Acceptable Use Policy*
- Students will follow and encourage others to follow the *Safety and Security Policy*
- Students will not harass or bully others
- Students will not participate in other behavior that is deemed unkind or disrespectful, or that lacks basic integrity, as deemed by the administration.

Lunchroom Expectations

Lunch is eaten in the cafeteria at scheduled times between 11 a.m. and 12:20 p.m. Students have the option of bringing a packed lunch or purchasing lunch at school. They also may purchase individual items to supplement a packed lunch. School lunch and a la carte items may be purchased through the school's POS system by depositing money in the student's account. Instructions are emailed to families before the start of school regarding the account and can be found on the school website.

Seating in the cafeteria is assigned across grade levels and peanut-free table(s) are reserved.

Lunchroom guidelines:

- Stay in your seat until you have asked permission to get up from a teacher.
- Engage in quiet conversation.
- Do not share food or money.
- Clean your table, chair and floor area before dismissal.
- Arrive and leave the cafeteria in a quiet and orderly manner.

Bullying and Harassment

Bullying and harassment will not be tolerated at Canterbury. Canterbury and the State of Indiana defines bullying as overt, unwanted repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student and create for that student an objectively hostile environment that:

1. Places the targeted student in reasonable fear of harm to the targeted student's person or property;
2. Has substantial detrimental effect on the targeted student's physical or mental health;
3. Has the effect of substantially interfering with the targeted student's academic performance;
4. Has the effect of substantially interfering with the targeted student's ability to participate in or benefit from the services, activities and privileges provided by the school.

Safety and Security Conduct

Students will follow the safety and security plan. See the school website for details. Students who do not follow safety and security measures will be referred to the Student Conduct team immediately.

Disciplinary Responses

In the event that students do not demonstrate the behavioral expectations of the Lower School and Canterbury, the following graduated set of responses are enacted. If behavior persists after interventions, a student will move to the next level of formal responses. Major instances of significant misbehavior move immediately to administrative intervention resulting in more significant disciplinary response, up to and including dismissal from the School. The administrative intervention will consist of a team of Canterbury faculty including but not limited to the Lower School Director, classroom teacher and school counselor. This committee will be referred to as the Student Conduct Committee.

Level 1

Classroom Intervention:

Examples of interventions:

- Student is reminded of the rule or expected behavior and redirected to an alternate activity.
- The student is reprimanded, given a consequence appropriate to the infraction, and guided to think through different choices and the impact his or her behavior is having on others.

Consequences at this level range from brief removal from an activity, to a reflection letter, to loss of privileges.

Level 2

Student Conduct Team (Division Director, classroom teacher and/or School Counselor) Intervention:

Examples of interventions:

- Teacher and/or child contacts the parent to report consistent or severe behavior.
- The Student Conduct Team develops a behavior plan.

Consequences noted in Level 1 are continued.

Level 3

Head of School Intervention

At this level, the Head of School will become a part of the Student Conduct Team. If a formal behavior plan does not prove to be effective and adverse behavior continues, or if a student is believed to be a danger to him/herself or others, the Student Conduct Team may suspend the student from school for a designated period of time. Students are expected to complete any work missed. Contract renewal and school placement for the coming school year are at issue at this stage. If adverse behavior continues, the student is dismissed from the School.

Canterbury School reserves the right to skip levels depending on the severity of behaviors. For example fighting, intentionally inflicting harm on others would warrant moving to higher levels.

Dress code (Kindergarten Prep-Fourth Grade)

Canterbury Lower School has a daily uniform. All clothing worn to school must be in good repair. Student uniform requirements apply throughout the school day (8am to 3pm). Parent and student cooperation in adhering to uniform guidelines is expected. Parents will be notified via Blackbaud if students are not following Lower School uniform guidelines. If violations continue, parents will be contacted to bring appropriate clothing to school for their child.

Dress code guidelines

Acceptable Attire

- **Collared shirt with pants** (*navy pants; white, pink, light blue, navy, hunter green, pale yellow or gray shirts*)
 - Shirt length long enough to stay tucked in
 - Shirts can be a fold over collar or turtleneck
 - Pants: no denim, cargo pants, yoga pants, leggings worn as pants or activewear pants
- **Collared shirt with skirt or jumper** (*navy skirt or jumper; white, pink, light blue, navy, hunter green, pale yellow or gray shirts*)
 - Shirt length long enough to stay tucked in
 - Shirts can be a fold over collar or turtleneck
 - No denim skirts
 - Tights/leggings may be worn underneath a dress, but the length requirement still applies. Tights and leggings are to be navy or white only.
- **Collared shirt with shorts** (*navy shorts; white, pink, light blue, navy, hunter green, pale yellow or gray shirts*)
 - Shirt length long enough to stay tucked in
 - Shirts can be a fold over collar or turtleneck
 - No denim, athletic or cargo shorts
- **Dress** (*navy only*)
 - Tights/leggings may be worn underneath a dress. Tights and leggings are to be navy or white only.
- **Footwear**
 - Dress shoes, athletic shoes, boots
 - No pool slides, flip-flops, sandals or slippers

Additional layers

- Sweater (solid only; *white, pink, light blue, navy, hunter green, pale yellow or gray sweaters*)
- Canterbury logo crew-neck sweatshirt
- Canterbury logo hoodie
- Canterbury logo quarter zip

Spirit Fridays

- In the Lower School, students may wear sweatpants, athletic shorts, jeans, and a Canterbury spirit wear top. Spirit wear consists of t-shirts or sweatshirts with the Canterbury logo or name.
 - Students may opt to wear normal school dress code pants, shorts, or skirts in lieu of jeans.
 - No ripped pants or shorts

The following attire is prohibited, including on dress down days (unless otherwise noted)

- Tank tops, spaghetti strap tank tops, T-shirts, athletic tops (even when worn over collared shirts)
- Cropped shirts - shirts must be long enough to stay tucked in for the school day
- No hats or headwear of any kind, except in the case of approved exceptions based on religious practices
- Any clothing with an offensive message/graphic (at the discretion of the Lower School office)
- Additional items as determined by the Lower School office, as needed.

School Dress: Wednesdays and Field Studies

On Wednesdays and other designated days (such as certain field studies or visits, as well as on special occasions), students wear “school dress.” This consists of a white shirt with navy blue slacks, shorts, capris, skirt or jumper. Navy blue and white clothing should be solid colors (no stripes, polka dots, plaid, etc.).

Dress-Down Days

- As announced by the Lower School Office
- Students may observe a dress down day on the celebration of their birthday or half-birthday.

Uniform for Physical Education

Students change for PE in 3rd and 4th grade. The PE uniform is any shorts or sweatpants and a Canterbury top.

Winter Clothing

During the winter months, students go outside for recess unless the temperature or wind-chill is below zero. Please plan to provide snow boots, snow pants, gloves or mittens and hat to be kept at school.

Lost Articles

The school makes every effort to help children keep track of belongings. Names should be printed in full on all physical education clothing, raincoats, coats, hats, jackets, sweaters, scarves, mittens, boots, book bags, etc., worn or used by each child. Despite the best efforts of parents, teachers and children, many lost articles are placed in the Lost and Found bins located in the Lower School commons. Parents should look through the Lost and Found for missing items. All unclaimed items will be donated to charity at the end of each semester.

Cavalier Clothing Company

Canterbury clothing is available for purchase from the Cavalier Clothing Company. There are opportunities to buy at school, at times, or online.

Food and Parties

Snack

Students in grades 1-4 may bring a snack from home to eat at break time. We ask parents to supervise the packing of snacks to ensure that each child receives food with high nutritional value. Snacks should be opened and eaten independently and students should have all necessary supplies to eat the snack (spoons, straws, etc..) Please observe the school's food allergy policy outlined in this handbook. All snacks must be nut-free.

Birthdays

Families are permitted to bring in a small snack or treat (should include all necessary items such as napkins, forks, spoons, plates, etc.) to share with the class in celebration of a child's birthday. Please contact your child's teacher to schedule a mutually agreeable time for the celebration and keep in mind the Nut-Free Policy when planning. Extras such as balloons, gifts and party favors are not acceptable for classroom celebrations. Deliveries for students will not be accepted at school.

Students are allowed to be out of uniform on their birthdays or at a mutually agreed upon time if their birthday does not fall on a school day.

For celebrations outside of school, invitations should be sent from home, not brought to school to be distributed.

Section V • Technology Acceptable Use Policy

As a member of the Canterbury School community, each student must adhere to the school's Technology Acceptable Use Policy at all times. The digital world is one aspect of each student's experience, and conduct in this domain should mirror these same expectations.

General Policies

The primary purpose of the school's technology resources is to enhance teaching and learning and to support the business operations of the school. Technology resources at Canterbury are intended for educational and school-related use.

- Students should be mindful that they are representatives of Canterbury School at all times, and may be held responsible for any hurtful or damaging online behavior or content.
- Students must use all authorized systems, digital devices, software, applications, and email accounts in a manner that is productive for student learning, and consistent with the school's disciplinary guidelines.
- Students must use respectful language and appropriate judgment in public or private posts at all times and in all interactions in the digital world, and must be mindful of the consequences – for others and for themselves – of not doing so.
- Students must respect the privacy of other students, teaching and non-teaching faculty, and administrators of the school in all online activities. Posting information that uses names, images, or recordings of these individuals without their permission violates the intent of this policy.

Technology Conduct

Lower School students may not use cell phones or any other device with Wifi capabilities (Apple watches, non-school issued iPads) in any Canterbury setting. They may not wear watches that can function as a phone or texting device. If a student brings a cell phone or wearable device to school, the teacher/administrator will take the device until it can be picked up by a parent or guardian.

Security, Privacy, and Copyright

- Email and network passwords are for the use of individual students, and should not be shared with peers at Canterbury, or with anyone outside the school community.
- Students should immediately notify a member of the technology faculty and change their password immediately if they discover their password has been compromised.
- Students must not create, install, or knowingly distribute a virus or other potentially destructive program on any school network system, regardless of whether any negative consequences result.
- If a student unwittingly releases a virus in the school network, he/she should notify a member of the technology faculty immediately.
- Students must not use any device, software, or website that masks their identity as they use school resources.
- Students must not read, alter, or delete any other person's digital files or email without that person's knowledge.
- No one shall copy, install, or use any software or data files in violation of applicable copyrights or license agreements, including but not limited to downloading and/or distribution of music, movies, or any other electronic media via the internet.

Social Networking

- Students may not “friend,” “follow,” or otherwise link to adults employed by the school via the adults’ personal social networking outlets. Teaching and non-teaching faculty, and administrators are required not to engage with students in this way – it is not appropriate to place them in the position of declining a student’s request.
 - Canterbury may establish from time to time a school-run social networking site for a school-sponsored activity or group that is intended for educational purposes only. In these instances, students may link with school employees because of the educational intent of the site.
- Possessing, posting, or distributing 1) sexually explicit messages, photos, or videos, or 2) any harassing or disparaging content electronically via cell phones, email, or other devices is a very serious offense. Such material can be distributed rapidly across the Internet. Not only can such activity result in profound emotional damage, but, at the extreme, it can be prosecuted as a felony under federal law.

Ownership Disclosure

- While Canterbury School strives to create a safe digital environment for students by filtering and monitoring much of the content available on the school’s network, the school cannot control all information that is available on the Internet or through incoming email, as this information is not owned by the school. Students should check the privacy and security policies or internet sites and email carriers carefully before posting or adding content they may not wish to be viewed by others presently or in the future.
- Students should have no expectation of privacy in any communication that uses school systems in whole or in part.
- Canterbury School owns all systems, software, and school email addresses, and reserves the right – in extreme circumstances – to exercise its ownership privileges to investigate any disruptive or damaging behaviors that are reported or discovered. The school reserves the same right regarding the school-owned devices that are issued to students.
- School logos, official documents and images, and the name of the school are the property of the school, and may only be used on non-Canterbury websites with the permission of the school. Students should be mindful that use of such school property in this way may be construed by others as representing the views and policies of the school, which is inappropriate. The school reserves the right to address such issues when it becomes aware of them.

Violations of Policy

Violations of the Technology Acceptable Use Policy are subject to the disciplinary policies of the school, depending on the nature and severity of the infraction.

Section VI • School Departments

Enrollment Management

Admissions and Withdrawals

In its admissions and withdrawal processes, as in all other areas of school life, Canterbury is guided by the following non-discrimination policy: “Canterbury School admits students without regard to race, color, religion, national origin, gender, sexual orientation, or any other characteristic. It does not discriminate in the administration of its educational policies, financial aid programs, hiring practices and other school administered programs.”

The School retains the right to suspend or dismiss any student whose progress or conduct is deemed unsatisfactory or whose influence does not serve the best interest of the School; or if the School concludes that the actions of a parent make a positive relationship with the School impossible. Those students whose account payments are not kept current also will be withdrawn from the School.

Admission is contingent upon receipt of official transcript(s), educational records, test data, current health records, and successful completion of the academic semester/year before entering/continuing at Canterbury.

Financial Aid

Applications for Financial Aid are accepted beginning in Kindergarten through Grade 12. Families, current and new, who wish to apply for financial aid are encouraged to contact the admissions or business office. Canterbury follows the School and Student Service for Financial Aid guidelines. A contract and a completed financial aid form, accompanied by a current tax return, initiate the process. Financial aid awards are based on financial need and are confidential. All awards must be applied for annually.

Business Office

Billing

The school has many expenses of a continuing nature, such as faculty salaries and plant maintenance. To plan and provide school services for the entire year, it is essential that the annual income from tuition be assured. For this reason, it is understood that students are enrolled for the entire year, and payment is due in full. The school offers two payment options: a single payment plan and installment plans. For more information about billing and payment options, please contact the business office.

Students whose accounts fall delinquent may be asked not to attend school until their accounts are current. A student’s bill must be paid in full and/or installment payments must be current before grade reports and transcripts are released.

Parents of students in K-Prep through High School, may also elect to purchase tuition refund insurance from Dewar Inc. Information is mailed to all parents with student contracts. The insurance premium cost is a small percentage of tuition and fees. Any change to the insurance coverage election made through the student contract must be done in writing and received by the business office before the school year begins.

Development

The Development office is responsible for maintaining and further developing relationships with key members of our school community: parents, grandparents, alumni, parents of alumni, and other friends, and for generating revenue for the school above and beyond tuition. The office is on the Covington campus located near the Middle School Office.

Fundraising activities include the Canterbury Fund, an annual giving campaign in which we ask all families to participate at a comfortable level; Laughing Cavalier, a gala event held each winter; and the Cavalier Open, an annual golf outing to benefit athletics.

Other fundraising activities include the occasional capital campaign, major gift support for special areas of donor interest, funds and scholarships, and planned gifts through the 1977 Society. The Canterbury School Foundation Board manages the school's endowment.

Insurance

The student's/parent's personal insurance policy remains the primary insurance coverage. A written accident report must be filed with the business office immediately after any incident or as soon as practical afterward. Please contact the business manager if you have any individual questions.

In the unfortunate event of a serious injury to a student at school or a school-sponsored event, the student's parents should immediately notify the school's business office, whereupon an investigation is conducted and any insurance carriers covering the school are notified, as appropriate.
