In 2009, Canterbury School was selected as Malone School, receiving an endowment to support capable students through financial aid and access to Malone Schools Online Network courses. Canterbury is the only Malone School in the state of Indiana and one of 50 nationwide.

Special Features of the CANTERBURY Experience

MSON Courses

Canterbury students may supplement their curriculum with advanced electives offered through the Malone Schools Online Network. These courses are taught by expert faculty at Malone Schools in virtual classes and offer the opportunity to explore new fields of inquiry not usually accessible in high school.

Academy of the Arts

Canterbury's audition-based Academy of the Arts cultivates artistry and professionalism in its members through conservatory-style instruction, collaborative performances and exhibitions, and opportunities for student artistic leadership and direction. Students select a focus area of visual arts, instrumental or vocal music,

or theatre (production or performance track). Academy students are responsible for one recital or presentation per semester where faculty and peer critique are offered, and attend required weekly Academy showcases.

Certificate Programs

Students may work towards certificates in Advanced Science, Global Studies, and Advanced Computing, augmenting required course sequences within the curriculum with intensive enrichment and capstone experiences. Certificates require extensive coursework in relevant disciplines, a qualifying immersion experience, and the completion of an independent project.

Awards & Honors

Student honors include the **Faculty Prize, Deans' Award, and Distinguished Progress**. Award winners and commendations appear on transcripts. A student may receive these awards once before Grade 12. Each spring up to 20 percent of the senior class and 10 percent of the junior class may hold membership in the **Cum Laude Society**.

Grading and Reporting Policies

The high school curriculum consists of courses that, with few exceptions, are taught at the honors, advanced, dual-enrollment, or Advanced Placement level. Student transcripts reflect a weighted GPA based on the following scale:

- Advanced Placement (AP) and college-level (CL) courses: 1.2
- Advanced (AD) courses: 1.1
- Honors (H) courses: 1.05
- All other (R) courses: 1.0

Canterbury does not compute class rank for college admission purposes.

Canterbury School complies with all best practices articulated in NACAC's Guide to Ethical Practice in College Admission.
