## Monday Enrichment Offerings

Dates: 1/29, 2/5, 2/12, 2/26, 3/4, 3/11

Come learn the basics of beatboxing and impress your friends with this unique musical skill!! In this enrichment, you will learn key techniques to making your beatbox sound crisp, authentic, and most importantly, super cool. As you advance in your skill, we will incorporate harder and more intricate riffs to take your talent to the next level. This enrichment will not only give you a new skill, but will help your rhythmic accuracy and steady beat for all other music classes.

Hope to see you there!

Grade Level: 2nd-4th

Time: 3:15pm - 4:00pm

Instructors: Mr. Jimmy Mitchell

Cost: \$90

Come learn a variety of card and dice games you can play with your friends and family! In this class you will learn games like Garbage, Speed, Nickels and Left, Right, Center. Not only are card and dice games fun to play with friends, we will also develop number and math confidence, problem-solving and team work and also encourage quick-thinking and strategy skills.

Come join Mrs. Kiep on Mondays but fair warning: Card Sharks will be fun, addictive and competitive!

 Instructor: Mrs. Christy Myers  
 Cost: \$105  
 Additional cost: \$35 for a baton

## 3rd & 4th Grade Book Club

Meet the D Squad, a foursome of fifth graders at the Grand Canyon School made up of a geek, a class clown, a teacher's pet, and a slacker. They are bound together by one very big secret: the homework machine. Because the machine, code-named Belch, is doing their homework for them, they start spending a lot of time together, attracting a lot of attention. And attention is exactly what you don't want when you are keeping a secret.

Before long, things start to get out of control, and Belch becomes much more powerful than they ever imagined. Now the kids are in a race against their own creation, and the loser could end up in jail . . . or worse!

Thursdays • 3:45pm

This is a fun, engaging opportunity for third and fourth graders to improve their reading skills and/or just read a good book! In this club, students will read and discuss the book ***The Homework Machine*** and complete a small activity sheet in order to ensure maximum comprehension. During the club meetings themselves, students will take part in everything from games to presentations to small group activities. These activities are designed by the high school students that run the club, and they are tried and true methods designed to engage the students in the book.

Grade Level: 3rd-4th Grade

Time: 3:45-4:30pm

Instructors: HS Students Adderly Surack, Maria Tan, Sterling Waterfield and Sunjana Nalamolu along with Mrs. Christine Russell

Cost: \$105

(which includes a copy of

***The Homework Machine*** for your child)
